BAE Economic Reports	BAE	BAE	No mailing list is maintained for these reports. As each one is issued, determination is made by BAE as to the workers interested and copies are sent to them. Therefore, no assurance can be given that editors will receive reports of interest regu- larly. However, BAE has a monthly checklist of all its publications issued during the month. If you would like to receive this list regularly, it is suggested that you write to the Division of Exten- sion Information requesting that your name be added to the mailing list. You will then be able to de- termine which reports you would like to receive and send in your request to this office.
